	QUALITY GUARANTEE AND PRODUCT NON- CONFORMANCE CLAIMS CONSIDERATION PROCEDURE	From date: 01.08.2018
		Page: 2/3

1. Purpose of the manual

The purpose of the manual is to set a detailed standard procedure of dealing with claims related to quality guarantee and order inconsistency (product non- conformance).

2. Scope of instructions

The manual is to be used by AS-PL Sp. z o.o. employees while conducting, documenting, overseeing and coordinating procedures of dealing with claims related to quality guarantee and order inconsistency (product non- conformance)

3. The Procedure

In the event a product purchased is found as non-conforming to the purchase order, the Purchaser shall submit a complaint notification form to *AS-PL Sp. Z o.o.* in accordance with the provisions of Section 3 below, within 7 days since the product delivery. The complaint notification form shall include a detailed description of the product found as non-conforming to the purchase order, the type of non-conformance, circumstances under which the nonconformance was found as well as the invoice number and date of issue. The form is available at www.as-pl.com under the tab “Support”

Any guarantee or complaint notifications shall be made by filling in the RMA notification form at the website address <https://en.as-pl.com/reclamation>

Any notifications made in any other form shall be rejected.

Within 3 working days the Purchaser shall receive an e-mail with the RMA complaint number and a link to the website where the status of the given complaint/guarantee notification can be checked.

The Customer shall send or deliver the product complained about to:

AS-PL Sp. z o.o., ul. Słoneczna 53 83-240 Lubichowo , with a note “REKLAMACJA/COMPLAINT”. The RMA number shall be put in a visible place on the packaging of the product complained about.

In the event products are returned by the Purchaser due to their non-conformance to the purchase order, the product shall bear no signs of assembly or damage and must be returned in its original, undamaged packaging.
